ALL CHANGE

For several years now we have been looking for a new name for our ministry - another group in the UK were using the same name as us and we didn't feel it right to share the name and also we felt that it might confuse people. So several years ago we started to use the name of our church, and then under my name, but we were never happy with any of them. After writing the last magazine, I was looking through the articles and the title of one of them was quickened in my spirit and I knew immediately what our new name was to be. So in March of this year, after a preliminary search to see if anyone else was using the name, we started to make the change and 'Voice of Faith Ministries International' was born. The web-site needed changing, so did most of our materials, a new e-mail address, and account names changed. So it is our pleasure to welcome you to another issue of our magazine, along with it's new name - 'Voice of Faith'.

In May 2007 I am celebrating my 40th birthday, I can think of a no better way to commemorate this special occasion than with a new name and new look ministry. We also begin the summer with our first ever Fens Faith Convention; we are expecting a weekend of the outpouring of God's glory and uncompromised teaching of the Word of God. Try and make it along to Wisbech over the Spring Bank Holiday weekend - we are in for a great blessing (see the advertisement on page 6 or check web-site for details).

Enjoy the mag,

Pete Warren

Moving Into A Better Place

When I was at primary school, many years ago now, I remember very well one particular project that we did. We had to collate into a folder lots of information about ourselves; our families, our likes and dislikes, our interests and such information that built a picture as to who we were. One particular sheet that I remember completing was titled 'My Favourite Things'. This contained everything from our favourite foods down to our favourite holiday destination and clothing.

The two categories that I remember above all others were my favourite book and favourite music. As a boy I never really listened to any music other than that which we sung at church. Other friends of mine may have had their favourite music groups and singers such as The Beatles or Elvis, but as for me, I was not into popular music and didn't even know of any singers. My favourite music were the songs of Heaven, praise and worship. My pre-teen years were through the seventies and I particularly liked the older choruses that were written and inspirational in the church from the 1930's onwards. Even today some of those choruses still have a special place in my heart, and I find myself from time to time picking them out on the guitar and playing them through to myself, even occasionally I might just throw one into a service that I am leading. The other favourite subject we had to write about was our favourite book; again I was not much of a reader except for those books that were set school reading books. I did read the odd book or two that interested me but the main book I read was the Bible.

I have often sat and heard people say in church that a certain verse was their favourite or a particular hymn or chorus. I have always had a problem with that because I cannot honestly say that any one scripture verse or song can be classed as my personal 'favourite'. There are many that I would class as favourites but that is an ever-increasing list.

THE LAND OF NOT ENOUGH

However saying all that one of the Bible accounts that I do like is that of the God's people coming up out of Egypt and into the Promised Land. God's only intention for His people was to bring them in to something better, a more fruitful place. His intention for us today is just the same, to bring us into a better and more fruitful place.

Let's consider the plight of them in Egypt,

"Now there arose up a new king over Egypt, which knew not Joseph.

And he said unto his people, Behold, the people of the children of Israel *are* more and mightier than we:

Come on, let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us, and *so* get them up out of the land.

Therefore they did set over them taskmasters to afflict them with their burdens. And they built for Pharaoh treasure cities, Pithom and Raamses.

But the more they afflicted them, the more they multiplied and grew. And they were grieved because of the children of Israel.

And the Egyptians made the children of Israel to serve with rigour:

And they made their lives bitter with hard bondage, in mortar, and in brick, and in all manner of service in the field: all their service, wherein they made them serve, *was* with rigour.

And the king of Egypt spake to the Hebrew midwives, of which the name of the one *was* Shiprah, and the name of the other Puah:

And he said, When ye do the office of a midwife to the Hebrew women, and see *them* upon the stools; if it *be* a son, then ye shall kill him: but if it *be* a daughter, then she shall live"

Exodus 1.8-16

As we can see they were severely oppressed and made to be slaves, their lives were made bitter and their burden was more than they could bare. It actually got worse for them under the Pharaoh, when Moses went in to see him to ask him to let the people go free, Pharaoh increased their workload and also took away their quota of bricks.

The land of Egypt was the land of not enough. They never had enough and were always wanting, their burdens were great but in their bondage they cried out to God and He

delivered them, and what a miracle that was. When they came out of Egypt, they left extremely wealthy and rich. God supernaturally provided them with an abundance of gold, silver, precious stones and costly garments and materials. The Egyptians had freely given them to the Israelites when they asked for them. And they left Egypt with it all.

Bible teachers tell us there were probably about 3 million people that came up out of Egypt. God's plan was to bring them out of the land of not enough and into a land of great plenty, a land which is described by God as,

"And I have come down to deliver them out of the hand and power of the Egyptians and to bring them up out of that land to a land good and large, a land flowing with milk and honey [*a land of plenty*]-to the place of the Canaanite, the Hittite, the Amorite, the Perizzite, the Hivite, and the Jebusite."

Exodus 3.8 (Amp)

It was a land of plenty and that was their destination. If you are living in the land of not enough, not enough money, not enough food, not enough health, not enough of anything then God has the same purpose for you that He had for His people all those years ago to bring you into the land of plenty.

THE LAND OF JUST ENOUGH

Once God's people had come out of Egypt, because of their refusal to enter into the land that God had promised to bring them in to, they were left to wander in the wilderness for forty years. These years in the wilderness were spent eating manna and quail from heaven every day. They had left behind the land of not enough and were now living in the land of just enough. They were just existing on the same food, which was provided for them by God. They were not yet enjoying all the fullness of His provision. Forty years after leaving the land of

not enough they were still living in the land of just enough, just getting by when they could have been enjoying the land of plenty.

How many Christians are living in the land of just enough? They have experienced the blessing of God, have enjoyed his provision, know what it is to receive a healing touch from God yet they are still content to be living week by week in that experience. There are many thousands of people like that. Living every week with just enough to get them by until the following week.

The problem with that type of existence is this, they are always left not completely satisfied, they adopt the attitude that receiving from God is like a lottery, sometimes you win but more often you don't. They bring to God week by week a token offering of thanksgiving and praise but inside blame Him for the problems that they go through. The land of just enough is a land of looking after self, making sure that our own needs are met, a selfish lifestyle. God's purpose was never to leave you in the land of just enough.

THE LAND OF MORE THAN ENOUGH

After forty years of the wilderness, God's people eventually believed Him enough to enter into the Promised Land. He had always promised to bring them here. They had even had a taster of what the land was like. Moses had sent twelve spies into the land, 40 years earlier, and they had brought back samples of the enormous produce and eye-witness testimonies of the richness of the land, but still they chose not to believe God and stay where they were. But now the time had come and they finally entered that wonderful place, that better place.

It has never been God's will for you to be in the land of not enough. Neither is it His will for you to stay in the land of just enough. It has always been His will for you to get into the land of more than enough. God's purpose for you is to be a major distributor of blessing to others and you can only truly fulfill that ministry in the land of more than enough. So come on, move up higher, leave behind the lands of not enough and the lands of just enough and believe God to come into the land of more than enough.

You can't get into a new place until you come out of the old one. ♥

Shutting the door on the devil

**“I know thy works: behold, I have set before thee an open door, and no man can shut it: for thou hast a little strength, and hast kept my word, and hast not denied my name”
Revelation 3.7**

This verse in Revelation tells us that God has set before us an open door. A door as defined by Webster’s dictionary is:

- An opening or passage into a house, or other building, or into any room, apartment or closet, by which persons enter.
- The frame of boards, or any piece of board or plank that shuts the opening of a house or closes the entrance into an apartment or any inclosure, and usually turning on hinges
- Entrance; as the door of life
- Avenue; passage; means of approach or access

A door gives us access to a property, it is the avenue through which we enter and leave places. Doors are used to open up a way through something solid like a wall to give access to the house, and likewise they are used to seal up openings in walls to prevent unwanted access.

Here God is saying that He has opened for us a door - a door

which gives us full access to all the blessings that are available for us. Are you going through some tough situation at this moment, then receive this word as of the Lord: *He says ‘See I have set before you today an open door so you can come out of your problem and into the victory which belongs to you, all you need to do is walk through the door’.*

THE DEVIL CANNOT SHUT THE DOOR ON YOU

One of the greatest things about this open door from God is that no man can shut it, and neither can no devil from hell. No one can prevent you from going through the door. So many Christians today are staying in their problems, suffering, in sickness and pain, living in fear and torment and all this time God has opened the door so they can get out and enjoy the victory, healing and deliverance that God wants them to have.

Do you remember the childhood story of the three goats that saw on the other side of the river a beautiful lush green meadow which was perfect for grazing. The only way into that meadow

Don't give the devil any opportunity to work.

**Ephesians 4.27
(God’s Word Translation)**

was across a small narrow bridge. They desired the green grass but were fearful of crossing the bridge because under the bridge lived an ugly troll. The only way that they were going to enjoy the green meadow was to cross the bridge.

That is a picture of how many Christians are living today. They love the Lord with all their hearts and yet still stay in the same place because they will not go through the open door into the fulness of the blessing. It was just the same with God’s people, Israel had come out of Egypt by a mighty miracle, they had come through the Red Sea also by a mighty miracle, but they would not go and enter the Promised Land. They stayed wandering in the desert, eating nothing more than bread and quail - and all the time everything God had ever promised them was just across the river - the Bible tells us it was a land flowing with milk and honey, a land of great wealth, a land where the grapes grew so large that it took two men to carry just one bunch.

In the story of the three goats, the troll guarded the bridge to prevent the goats from entering the meadow. He would roar out telling them they could not cross the bridge, but before long they crossed the bridge and dealt with the troll, knocking him off the bridge.

The Bible says that the devil walks about like a roaring lion seeking whom he may devour (1 Peter 5.8).

Even though he may roar to try and discourage you from going through the door and receiving the blessing of God, you can shut the door on him. Did you hear that? - let me say it again, You can shut the door on the devil. God will not shut the door on him for you - you shut the door. God told us how we are to deal the devil, look at the next verse

“Resist him, steadfast in the faith, knowing that the same sufferings are experienced by your brotherhood in the world” 1 Peter 5.9

Resist him, steadfast in the faith - that is we resist the devil not being moved by his threats but standing firm on the Word of God.

KEEP THE WORD

In the message to the church at Philadelphia, Jesus said that they had a certain strength. Many of the seven churches were reprimanded for their weaknesses but at Philadelphia they were praised for the strengths. They had these two strengths: They kept the Word and did not deny the name of Jesus.

“I know thy works: behold, I have set before thee an open door, and no man can shut it: for thou hast a little strength, and hast kept my word, and hast not denied my name” Revelation 3.8

They were praised because they kept the Word. They stayed true to what the Bible said. They were not deceived by the lies and trickery of the devil. Jesus said that the devil only spoke lies, when he tells a lie he speaks his native language. There isn't a trace of truth in anything he says. We know that he tells lies and yet for some reason we are sucked in and believe what he says.

He spins his lies like a spider spinning a web, so that he might entrap us. He says things like *'It's flu season'* and we go to getting ready to receive it, stocking up on flu remedies and confessing *'I'm bound to get it, because I always get flu when the weather changes'* and then we get it and

wonder why we always seem to feel ill. We know that the Word says,

“By His stripes we are healed” Isaiah 53.5

Yet we get sucked into his web of lies and deceit. The truth is we are healed, the lie is that we have to be sick. Somehow we just find it too hard to accept and believe that what God says is actually true because, all too often we see with our eyes something contrary to what the Word says.

Have you ever seen a magician on a stage performing that well known illusion of sawing a woman in half. You see her climb into the box with her head at one end and her feet poking out of the other end. Then you see the illusionist bow his blades and prove how sharp they are, after that you see him push the blades into the box. When all the blades are firmly in place you see him separate the box into two halves and the woman appears to have been cut in half. There is no sign of blood or pain, in fact her feet are wiggling in one half of the box and she is smiling from ear to ear in the other box. A bit later he puts the box back together, removes the blades and, hey presto, out jumps the woman whole. Our physical eyes tell us that the woman was cut in half yet we know that the truth is she never was. All we have seen is a trick and an illusion. We are not taken in by his tricks, even though we may not be sure how it was done.

He (the devil) spins his lies like a spider spinning a web, so that he might entrap us

The devil, who is a master of trickery, wants us to believe that what he says has to be true - Jesus says that everything the devil says is a lie. Stay true to the Word of God, it is the truth, and the Bible says the truth sets us free (John 8.32). The apostle Paul wrote in his letter to the Romans the following words:

“Let God be true and every man a liar” Romans 3.4

Listen to what that verse says in one of the modern versions,

“Depend on it: God keeps his word even when the whole world is lying through its teeth” (The Message)

God's Word is truth, every word or voice that is contrary is a lie. When we get to the place of accepting God's Word as the truth, no matter what we feel or what it looks like, we in the place where we shut the door on the devil.

HONOUR THE NAME OF JESUS

Another strength of the Philadelphian church was

that they did not deny the name of Jesus. I don't think that any of us would think of denying the Lord in the sense of disowning Him but we may do so unwittingly. We have been given the Name of Jesus and all the authority and power that comes with it. We are given the command in 1 John 3.23 to 'Believe in the Name of Jesus'. There is great power in the Name of Jesus and we have been told to believe and put our faith in His Name. Just an examination of the New Testament shows us how we are to treat the Name of Jesus:

- We are told to believe in the Name of Jesus
- We are told to call on the Name of Jesus
- We are told to minister in the Name of Jesus
- We are told to pray in the Name of Jesus
- We are told to do everything that we do in the Name of Jesus

When we use the Name of Jesus, the power of God is released to meet every need. There was an occasion in the book of Acts where Peter and John were on their way to the Temple to pray at the hour of prayer.

"Now Peter and John went up together into the temple at the hour of prayer, *being* the ninth *hour*.

And a certain man lame from his mother's womb was carried, whom they laid daily at the gate of the temple which is called Beautiful, to ask alms of them that entered into the temple;

Who seeing Peter and John about to go into the temple asked an alms.

And Peter, fastening his eyes upon him with John, said, Look on us.

And he gave heed unto them, expecting to receive something of them.

Then Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk.

And he took him by the right hand, and lifted *him* up: and immediately his feet and ankle bones received strength.

And he leaping up stood, and walked, and entered with them into the temple, walking, and leaping, and praising God.

And all the people saw him walking and praising God:

And they knew that it was he which sat for alms at the Beautiful gate of the temple: and they were filled with wonder and amazement at that which had happened unto him.

And as the lame man which was healed held Peter and John, all the people ran together unto them in the porch that is called Solomon's, greatly wondering.

And when Peter saw *it*, he answered unto the people, Ye men of Israel, why marvel ye at this? or why look ye so earnestly on us, as though by our own power or holiness we had made this man to walk?

The God of Abraham, and of Isaac, and of Jacob, the God of our fathers, hath glorified his Son Jesus; whom ye delivered up, and denied him in the presence of Pilate, when he was determined to let *him* go.

But ye denied the Holy One and the Just, and desired a murderer to be granted unto you;

And killed the Prince of life, whom God hath raised from the dead; whereof we are witnesses.

And his name through faith in his name hath made this man strong, whom ye see and know: yea, the faith which is by him hath given him this perfect soundness in the presence of you all."

Acts 3.1-16

Peter knew the power of the Name of Jesus. He may not have had the money on him to give to this lame man but he did have something to give. He had the power and authority of the Name of Jesus which he released. The power of God was released and the lame man was healed.

Peter later attributed this man's healing to his faith in the Name of Jesus. The door was shut on the devil that day.

The Bible also tells us that everything that has a name must bow to the name of Jesus.

"Wherefore God also hath highly exalted him, and given him a name which is above every name:
That at the name of Jesus every knee should bow, of *things* in heaven, and *things* in earth, and *things* under the earth;
And *that* every tongue should confess that Jesus Christ *is* Lord, to the glory of God the Father."
Philippians 2.9-11

God has given Jesus a name which is above every other name. That means there is no name in heaven, earth or under the earth that is higher than the name of Jesus, or has any authority over the name of Jesus. Because the Name of Jesus is the highest name, anything that has a name must bow down to Jesus' name. Is that problem, sickness or situation identified with a name - if so, it must bow its' knee to the name of Jesus. Cancer is a name; Angina is a name; Arthritis is a name; Rape is a name; Alcoholism is a name; Bankruptcy is a name - if your problems have a name they must bow to the higher name.

When we come to the place where we truly believe in the Name of Jesus and use it, we too will shut the door on the devil.

AN OPEN DOOR IS ALSO A SHUT DOOR

When I was meditating on this message the Lord showed me something which I had never thought of. Do you remember the old style gates at level crossings as in the picture above. You don't see many of them today as most crossings

have automated barriers. We do still have a pair of these gates at a disused crossing in Wisbech.

When a train was approaching, the keeper used to go out and push open the gates so that the train could pass and then afterwards he would close the gates so that the traffic could once again cross the railway lines.

The Lord asked me the question, "*What happens to the traffic when the gates were opened for the train*". Of course the answer is that the traffic is stopped and cannot cross. Then He said to me, "*When the gates are open for the train, they are closed to the traffic, and that's how it is in the Spirit. When the door is open for the things of the Spirit, it is closed to the devil.*" Isn't that wonderful, an open door for God is a shut door on the devil. The opposite is also true, if we choose to shut the door on God then we open it for the devil.

Open the door to God, stay true to the Word and believe in the Name of Jesus and SHUT THE DOOR ON THE DEVIL TODAY. ♥

The Teacher

He never taught a lesson in a classroom...
He had no tools to work with, such as blackboards, maps or charts...
He used no subject outlines, kept no records, gave no grades, and His only text was ancient and well worn...
His students were the poor, the lame, the deaf, the blind, the outcast - and His method was the same with all who came to hear and learn...
He opened eyes with faith...
He opened ears with simple truth...
And opened hearts with love, a love born of forgiveness...
A gentle man, a humble man, He asked and won no honours, no gold awards of tribute to His expertise and wisdom...
And yet this quiet teacher from the hills of Galilee has met the needs, fulfilled the hopes, and changed the lives of many millions...
For what He taught brought Heaven to earth and revealed God's heart to mankind.

THERE'S A CLOUD ON THE HORIZON

“There is the sound of abundance of rain”

Picture the scene - there had been no rain for 3½ years, the land was dry and barren, nothing grew in the arid conditions; famine, poverty and lack had penetrated the nation; the country was ruled by the wicked Ahab & Jezebel, and it had gone after the false god Baal. Elijah, a man who stood with and served God, had challenged those who served the false god, won a great victory on top of Mt Carmel, and had executed 450 of the prophets of Baal.

Even though these things had taken place still the situation looked hopeless. What do you do now? Get the country right and back to normality - and what was needed was rain.

Three and a half years earlier Elijah had spoken to Ahab and pronounced that there would be no rain until he gave the word. We read in 1 Kings 18.41-46 that the time had now come. Elijah tells his servant to go and look for the cloud, “for there is the sound of abundance of rain” he pronounces (vs41).

Then Elijah said to Ahab, "Go up, eat and drink; for *there is* the sound of abundance of rain."

"So Ahab went up to eat and drink. And Elijah went up to the top of Carmel; then he bowed down on the ground, and put his face between his knees,

and said to his servant, "Go up now, look toward the sea." So he went up and looked, and said, "*There is* nothing." And seven times he said, "Go again."

Then it came to pass the seventh *time*, that he said, "There is a cloud, as small as a man's hand, rising out of the sea!" So he said, "Go up, say to Ahab, 'Prepare *your chariot*, and go down before the rain stops you.'"

Now it happened in the meantime that the sky became black with clouds and wind, and there was a heavy rain. So Ahab rode away and went to Jezreel.

Then the hand of the LORD came upon Elijah; and he girded up his loins and ran ahead of Ahab to the entrance of Jezreel."

1 Kings 18.41-46 (NKJV)

Elijah fully expected rain - he had no doubt that the rain would stop when he first spoke with Ahab, and now he had no doubt that the rain would come again. There was a stirring in his spirit that God was about to do something in the land.

Have you noticed that before a heavy storm there are often rumblings of thunder - the same is true in the spirit, there are rumblings and stirrings in the hearts of the prophets that a spiritual refreshing is about to come.

LOOK OUT FOR THE CLOUD

Have you been through a dry and barren time, where it looks as though things are really hopeless? Are you facing a drought in your situations and circumstances? Do you need a touch from the Lord to refresh your spirit, soul and body? Can you hear the sound of abundance of rain, are you expecting your breakthrough, it will come. Are you looking for the cloud that is bringing your blessing, healing and victory. Are you looking in the right place. Elijah sent his servant to look for the cloud and told him to look out “toward the sea”.

He tells him to look out to sea because that is where the clouds

"There is a cloud, as small as a man's hand, rising out of the sea"

are formed.

To see the cloud you need to look out - looking inward at your problems and focusing on them will magnify them above the word of God in you, and you will always be under their grip. Look out and look for the cloud, even though it may seem that it isn't coming, it will come. Elijah's servant had to go back and look seven times before he saw the cloud rising up over the horizon.

Paul writes and gives us really good advice for dealing with our problems, but too many seem to ignore it and then wonder why they have the difficulties they do.

"And set your minds and keep them set on what is above (the higher things), not on the things that are on the earth"
Colossians 3.2 (Amp)

Paul tells us the same thing that Elijah told his servant. Look to where the cloud comes from - set your minds on things that come from above and keep them there, and get your minds off your circumstances, problems and difficulties.

SMALL AS A MAN'S HAND

After the seventh look, the servant saw a very small cloud just rising up over the horizon. He runs to tell Elijah: There is a cloud but it's only small, the size of a man's hand. You can almost sense a hint of disappointment in the voice of the servant but at the same time there is the sense of great excitement and expectancy in the voice of Elijah. The size of the cloud is unimportant - it may be small but it is very significant - it is still a cloud and has the potential to be a severe storm cloud.

The cloud, however big or small, is a harbinger of blessing. It was

carrying enough water to completely refresh the land. When you see the first signs of your victory, healing or blessing, however small, that's the time to shout your loudest and give God thanks for the breakthrough that is about to burst into your life.

When you see the first snowdrops in early February, even though it may be cold with snow on the ground you know that spring is just around the corner - the snowdrops are a harbinger of spring.

Jesus said that men can read the signs of the skies and can tell if it will be good or bad weather but fail to read the signs of the times. When we see the small cloud we know that it is a harbinger of the blessing that we need.

It wasn't very long before the rain started to fall - big black heavy rain clouds soon filled the sky and emptied themselves on the land. Elijah had warned Ahab that the rain would be so heavy that it may stop him. The land was refreshed, the drought was over.
